The Story:

You always get good to excellent quality with Bubbles but fell on my feet here. I chose Bianca without pictures as size 6-8/D combination. She knocked me out arriving in a kind of secretary look, all tight pencil skirt, white blouse, blonde hair in ringlets, nice cleavage. And stockings! Thats a rare treat. She looked very very nice.

We had a chat and a drink and found she is an absolute darling, exceptionally sweet, intelligent and nice. Shes not shy of action too and I had a great hour with her. She then had a friend called Hope in the car who I decided might be getting cold and had better join us ;) I couldnt believe it when she came in dressed as a schoolgirl! That was another exceptionally fine hour about which I wrote but sadly it seems Hope has just left the site.

But I recommend Bianca in herself. A good choice if you like a cute blonde with a fine chest and an exceptionally nice girl. The kissing option was well worth it and if she has another friend by now well worth booking a duo. I hope to see her again.
