The Premises:

Very clean. Nice discreet area, felt safe. Easy to get to from the directions given on the phone, near Milton Keynes Central train station.

The Lady:

Very fit. Great boobs, with curves in the right places. Long black hair, nice eyes. Gym legs, strong and sexy. Great little bum. Nice looking tattoo's on her thigh, above her ass and at the top of her shoulder/back.

The Story:

This is not my first punt, so i didn't feel as nervous. But regardless, Yasmine put me at ease straight away. I booked a 2 hour session, so we had plenty of time to do everything i wanted. She was also a great conversationalist, and a really great talker, when resting after Round 1, and also when having sex. Really filthy. We had sex in several positions, most notably, doggy, and also with her on top. She likes to kiss aswell, and her cock sucking was excellent. I came in the doggy position, but unfortunately couldn't manage it a second time, despite Yasmine's best efforts. Great 2 hours, will definitely book again.
