The Premises:

Clean apartment in smart modern apartment block. Her room was very charming and sweetly girly, personal touch with candles burning. Nicer than usual. Big clean shower.

The Lady:

Petite, slim and toned girl with med short dark hair. Face not pretty as in photos but cute in a kind of young way. Body really fit.

The Story:

Emma is your classic 150 Romanian girl. What you get from her is bottom line service... no FK, covered O only, and f*ing. Par for the course for these girls. What you also get with them which is why I go are hot bodies, and she really has one! Chest 'A' cup only but just perfect petite, slender and toned physique, flat tummy, nice skin tanned and toned. She wore white stockings/suspenders/heels as requested and looked stunning, I couldnt keep my eyes off her as she walked around. She is no beauty but shes cute enough and the slight youngness in her face is nice. She has a nice pussy and a nicely kept room which is a pleasure to walk in to.

Emma is young and has been on the job a few weeks max so is very inexperienced and not a lot of confidence yet, probably not helped because she has very little English. I think probably why she is not overly smiley or forward. I basically had to supply the charm which I dont mind doing. Its a bit like being with a someones teenage daughter...;)

So if you like being lavished with skilful GFE she is not for you. (Why it says 'open minded' on her profile Ive no idea ignore it). But if you like hot young bodies she is. I do and basically held her down and gave that sweet little body a good F*ing for 40 min, in most positions. That was great and she went with it fine and enjoyed it up to her experience level with more stamina than some you find. I left happy and got a smile and a hug when I left.

I did see a bad review for this girl which I could understand happening if you didnt realise where she was coming from. The agency is also being misleading by putting Open Minded. However if your expectations are at the level above and you go for nice young bodies you would enjoy her. Given time I would go back.
