Tianna was absolutely stunning .. say no more!

The Story:

Probably one of the best punts ever!

After arriving we had a glass of water and got the cash out of the way. It wasn't long after that before she was apologising for jumping all over me. Needless to say I didn't mind!

She loves to have her clit licked and sucked. Thankfully I too am a fan and was happy to oblige. She tasted so good and I lapped it up as she got even wetter.

This was followed by a long, beautiful BJ before giving her a bit more head and then on to sex in a couple of positions.

It felt as if Tianna was having a good time too and this helped the whole experience feel more natural and could well have been the reason why we overran on time. Again, I didn't mind one bit!

I was offered full use of the services and at no time did Tianna look at the clock, it was me who checked the time and realised we had got carried away with ourselves.

If I had the money I would have stayed all night dining on her sweet sweet pussy. I can't wait to go back :)
