### The Premises:

Rented accomodation that she uses for business, easy to find not far off M4 J16, could be better but clean enough and suits the purpose, area seems ok didn't feel unsafe or that I was being watched by neighbours.

### The Lady:

Delightfull young lady, pretty, nice figure, slight shyness at first but felt at ease straight away. She has photos on her profile on that other site but they dont do her justice.

### The Story:

Pretty much straight down to business, was a short notice booking and Lily had only just arrived at the flat and was dressed for the winter weather, room was warm so we chatted about what I was looking for as we got undressed,I prefer the girlfriend type of encounter and thats what I got, plenty of cuddles some very nice, gentle oral (owo) and sex (covered)in a few positions before being finished off with a most satisfying hand job. If I lived in Swindon I know I would be a regular visitor.I should mention that her normal rate is 100 ph but she was offering a special rate at the time.
