### The Premises:

Well easy to find, in the Fishponds area, not going to comment on the flat because she was having some work done so it was upside down, however the room was clean and warm. She does have 2 dogs but they were fenced off in the kitchen and didn't take much notice of me.

### The Lady:

On her profile on that other site she says "curvaceous" and I have to agree, about 5 foot, short dark hair and looks ok with a naughty smile. Not much into conversation and does giggle a lot.

### The Story:

Wasted no time messing about, stripped off and had a nice topless massage to start, then onto some reverse oral and nipple sucking, have to say this lady enjoys herself. Then my turn, nice oral (owo) then sex (covered) in doggy, her choice followed by more oral and hand relief. All in all a good time lots of laughs and cuddles with a lovely lady. Will see her again I hope.
