Spotless and ideal.

The Lady:

Ashleigh - she is exactly as per the gallery pics which aren't blurred out so you can see for yourself just how beautiful she is, has the most amazing smile.

Paige - She took my breath away when I saw her, her eyes and way she looks at you is heart stopping.

What sets these two incredibly beautiful women apart from others is how down to earth and funny they are, how intelligent and well spoken they are, and that they really want you to have to enjoy the time. For me, great personality is more important than great looks, these two just happen to have the both!!

The Story:

I'd met Ashleigh previously and as she'd given me the best massage I've ever had (felt relaxed for days afterwards), I was very keen to see her for an hour again. Unfortunately, by calling last minute I found she was only free for 30 mins, and so booked Paige as well. Both ladies spoilt me utterly and completely - I can't go into detail for two reasons 1) I can't put into words how much of a mind blowing experience it was, and 2) I still can't believe it was real. Yes, it was that good.
