### The Premises:

A small clean house in Martyr Road, Guildford. Several girls working from this house.

### The Lady:

Small, petite, blonde in her early 20's.

### The Story:

An attractive petite blonde girl. However, I can say nothing else positive about this visit. She was polite until she took my money and then told me no kissing was aloud. She told me she was German but I do not believe her - low quality, low class EE girl is closer to the truth. I've meet some good EE girls but sadly not this one!

She was rude, offensive and even kicked me with her knee at one point. She provided a truly terrible service and being kneed in the side was the final straw. I left before losing my temper after about twenty minutes.

Please do not visit this girl or any of the other girls that work at this establishment unless you want to waste your time like I sadly did. I am not new to this business and have met some great girls and some not so great girls. This was a really dreadful girl and visit. PLEASE STAY AWAY!
