The Premises:

As mentioned before Diplomat looks more than it does from the outside. Welcoming place from the cold and snow outside. Whilst i was having, coffee, another punter who came in later took the girl i wanted. hey what happened to queing and respecting rules (are there any?). So after 20 minutes with Katerina, I decided to ask for the girl i missed, Yasmin. Pictures not on on the website, maybe she is new? I moved from 30 minutes to 1 hour when i met her, plus she did kiss, albeit, extra ?10 per half hour.

The Lady:

Looks classical, long black hair, very pretty, generous cleavage and lush with curves. Calssical pin up looks in stockings and blouse. Makes a change from size 8 girls. i think she is a size 10-12? Height 5ft 8in, breasts 36DD. Inviting lips in a tingly shade of shade, my cock was already responding.

The Story:

Well good back rub and i followed up with one too on her plus attention to the breast and a snack at the Y. BJ was covered and not bad. The main business was the sex and it was great on top, side, doggie, flat and finally in Mish when we both came. Cuddles and lots of kisses, though not DFK. Birthday treat for me today. Thanks Diplomat, the other 3 girls also looked nice, however I only had cash and energy for 2 girls today. Today, Diplomat went back up in my estimation despite 2 dissappointments quite a while ago.
