The Premises:

This is a brand new place so was spotlessly clean. Each room has mirrors, showers and music. You enter via a second door from the road so no hanging about outside. Main road position on the A52 and very discrete. Free parking for one hour directly outside.

The Lady:

There were two ladies available today (I think there are five in total) and I chose to go with Holly. She is a tall brunette with legs that go on forever and a lovely slim build.

The Story:

This was a most pleasant experience from start to finish. I found Holly easy to talk to and her massage skills were excellent. I must admit that the placing of the mirrors is excellent. After asking me to turn over she kept me at a state of high arousal until the final flourish brought matters to a super close. I will definitely be back.
