### The Premises:

Great place, very clean, shower immaculate, very comfy bed.

### The Lady:

Pretty enough but firmly in her 30's not 20's as advertised, her tits were fairly disappointingly small but a good arse. Tattoos aren't my thing but hey ho.

### The Story:

Lucy was extraordinarily nice and very willing to please. Essentially this punt didn't go well because I wasn't attracted to her. She's not ugly but really wasn't my type.

That said, her OWO was brilliant and her pussy was surprisingly tight. Her dirty talk was class. First off she blew me magnificently and then rode me until i came.

After lying around for a while and making chit-chat she could tell I wasn't massively interested but to her credit offered a massage and tried to keep things ticking on.

Eventually she put my flaccid cock in her mouth and gave a slow OWO which I was stunned to see got me hard again incredibly quickly; the handjob finish while she caught the odd rope with her mouth was cracking.

Overall I would recommend her to virtually anyone, just not myself.
