The Premises:

The location is a first floor flat about a 3 minute wlk from old Street tube, next door to a kebab shop. It is a very clean room and shower facilities are available.

The Lady:

Chantelle is a very sexy Polish girl. She has blonde, highlighted hair, a very curvy & sexy bum and 32D/34C breasts. She is also very friendly and easy to talk to.

The Story:

I really enjoyed this session which consisted of O without. This was very arousing; nice and slow with lots of licking. We then had covered sex in the doggy position. I chose that because of her gorgeous bum. I finished by removing the condom and coming over her breasts.

I think other Polish girls work in this area which I am glad of because I've enjoyed a few sessions with other Polish girls in the past.
