The Premises:

Very discrete and safe location only a few minutes walk from Bond Street Underground Station. The first floor flat is quite small but very welcoming and comfortable. The flat is immaculately kept with good quality furnishings. The lighting and music adds to the atmosphere that made me feel immediately comfortable and relaxed

The Lady:

Valentina is a stunningly beautiful Thai girl who looks so much better in real life than her pictures. She has an exquisite figure, lovely long dark hair and silky smooth and flawless skin.

The Story:

I am new to escorting and was very nervous. The wonderfully warm smile Valentina greeted me with put me immediately at ease. We had a shower together and Valentina made sure I was totally relaxed and comfortable before I was given the best experience of my life. I felt like I was with my dream girlfriend, lots of kissing and cuddling and then I was treated to the full range of services that were delivered with passion and enthusiasm. What happened here will remain between Valentina and me. The conversation I had with Valentina was also very special. All I can say is that I would happily marry this girl if I could afford to keep her
