### The Premises:

Flat in housing development in Croydon. Pretty obviously lived there. Safe during day and I'm sure at night. A little exposed going up to front door.

### The Lady:

She was about 5'3" and a bit overweight. Not very attractive but had a sweet face. Reasonably busty but a bit saggy.

### The Story:

Went to see her originally as a 2 girl package, but didn't like the look of her "sister". Came back because of the price - ?50 didn't seem bad.

I had a shower and she started by giving me a massage, and then once I had turned over, into covered oral which was quite nice. I returned the favour although she was slightly odourous. I tried to get a finger in but she wasn't too keen and she did seem a bit tight.

She applied some lube and I then got into fucking her and fucked her in doggy for a good ten minutes. Nice tight pussy and a good big stern to bang against. I think she enjoyed as she gradually got wetter as time went on. Excellent fuck though - very sensuous. Eventually she gave me 2 minutes to finish and I fucked in mish until I came bigtime.

She overan by 10 minutes which was good and I would recommend her for her lovely tight pussy. A better time than I've had with much prettier girls.
