The Premises:

A two girl sharing a flat, clean and functional flat on the Kilburn High Road. A five minute walk from the station with a limited amount of metered parking is available on side streets.

The Lady:

About 5'2" Brazilian brunette. I'm no good at ages but would guess mid twenties.

The Story:

This was a second meeting this month with Sarah. Sent a text when I got there and she came down to open the door.

Sarah was dressed in "normal clothes" as she had to come and let me in which is understandable.

When up to the apartment, offered a drink and shower and then on to business.

An hour and a bit passed in no time at all, all expected bases covered, and Sarah couldn't do enough to please.

Offered another shower on leaving and left the flat with a big coat hanger smile on my face.

I will certainly be going back for more.
