The Premises:

Lilly's apartment is in a new block with safe, off road parking not far from Crewe station.

It is small but clean with shower facilities. Her 'boudoir' has a large comfortable bed and strategically placed mirror. Candles and flowers were an added touch of femininity to the surroundings.

The Lady:

Lilly is in her mid-forties, blonde, not too tall with a good figure with big, natural tits which demand attention. Her skin is smooth and she is fully shaved. She has a friendly, outgoing personality and is easy to get on with.

(Escorting is not her main occupation, so Lilly does not have a constant daily stream of clients.)

The Story:

Lilly met me wearing a short black dress with black basque and with black stockings and heels. We chatted with drink, she removed her dress and I was invited to remove her basque which left her lovely (natural) tits exposed for my pleasure.

She was soon on her knees in front of the mirror with my cock in her mouth demonstrating her oral skills. Once on the bed, I was able to inspect her smooth pussy and pussy lips. Thoughtfully, she had previously inserted Chinese balls in her cunt so she was already nicely stimulated.

Lilly gave my cock much attention throughout, although I made sure she was pleased too. She had more than one (noisy!) orgasm. One was while riding me cowgirl fashion and it was an added pleasure to watch her tits swinging as we fucked vigorously.

Finally she removed the condom, took me in her mouth and brought me to a climax, swallowing every drop with obvious pleasure.

The whole session was unhurried and there was no clock-watching. Altogether it was one of the most enjoyable sexual experiences I have had for some time.

Lilly prefers professional gents and discourages young 'Jack the Lad' types. Treat her well, guys,

and you will have a really good time with a lovely, sexy woman.

And thank you for a great time, Lilly. Can't wait to see you again!
