The Lady:

About 5'3" Malaysian/Thai girl, probably in her late twenties. I found her on Punternet Service Provider Database, by searching within 10 miles of my postcode. Her listing includes the phone number which, when clicked on, leads to a website with all her details, but she looks nicer in the flesh (softer faced) than in her pictures.

The Story:

I had had a bad day and was feeling rather stressed. Searched the database and arranged to meet Lilly. She made me feel welcome, but told me the two restrictions to our activities - No CIM and No Anal. I am not into anal, so that was no problem and although I do like CIM sometimes, she was such a sweet girl, I had no objection to sticking to the rules. Lilly asked what services I would like. I requested a full service and left it in her hands. First off was a back massage - quite soothing and relaxing and whilst she was gently rubbing my cares away, I announced my preference for DATY. which she agreed to try. A body to body massage on my front followed, which was quite arousing. Lilly then decided to sample my oral skills and made herself comfortable as I began to gently lick her. A good 15-20 minutes later she returned the favour with a prolonged bout of oral without a condom. She then offered herself to me on the edge of the bed, doggy style. I pounded and pumped away quite happily for a while until I reached a lovely climax. A quick clean up and I was on my way, well pleased with the whole encounter. I would be happy to recommend Lilly and will be returning myself, very soon.
