The Premises:

A cosy little 1st floor flat above a shop. Close(ish) to Crewe Station though I managed to park on a side street rather nearer. Fabienne opened the door to the stairs to the flat just prior to my arrival. She may be relocating shortly so be aware of this.

The Lady:

If you saw Fabienne in the street all wrapped up against the cold you could easily overlook her. I can just say that the pictures on her website are wholly accurate and show her petite body perfectly. The pictures don't show her face which is heart-melting especially when she smiles. No picture could show the warmth of her welcome and the lively and truly sexy mind with which she engages you completely

The Story:

So quickly did I feel at home with this wonderful woman that we chatted away for almost 30 minutes before I insisted we undress. We did so quickly, me leaving my Sloggis for Men on momentarily until the upward pressure from Uncle Junior became a bit painful. We kissed and caressed and I gave her pussy some attention. Now Fabienne likes to retain a fair bit of pussy fluff and it had been some time since I'd seen a girl thus. I discovered I didn't mind the hairs and in any event the object of my ministrations was in no way obscured. Fabienne then gave my cock a seeing to with her mouth. I don't always find this agreeable as PC Plod has a rather sensitive helmet. Anyway that didn't matter as we soon tried a good session of lying-down doggy. We both enjoyed this very much and towards the conclusion of the appointment Fabienne sat on my cock facing away so again my cock rubbed the front of her vagina and she thoroughly pleased herself on Uncle's member. I recall words from another punter that what you pay for in a punt is the walking away. I really had this feeling with Fabienne as I was in no doubt that she truly enjoys having sex with a 'giver' of pleasure.

Fabienne is much into role-play especially where she is the 'little school girl' or 'daddy's naughty girl'. I personally don't get off on this though we did explore this gently and it was enjoyable? more, I think, for her than for me but in my efforts to please I was so engaged with her I did enjoy this exploration too.

My opportunities to see her again are trammelled by all kinds of obstacles but I will bend every bone in my body to come off at Junction 16 again soon. Fabienne is a total treasure.
