Wow.

Jesse is sex on legs . Tall , long Dark hair. Dark Eyes that glitter like diamonds .

Long legs and Tits that defy belief .

Totally gorgeous

The Story:

I booked in for half hour , ended up doing an hour. Hence the extra , but worth every penny.

Jesse chats for England puts you at ease straight away.

Massage was awesome very relaxing.

Then she said , watch as I suck your cock. It was worth watching what an experience.

Then 69. She directed me a along , until she came and it was real

I tasted every glorious bit of it and her legs trembledand shook.

Then a long hard deep doggy fuck. Slapping her arse , as she shouted slap me harder fuck me deeper .

Eventually cuming all over her glorious tits.

Every one should experience Jesse at least once.

I have been punting over thirty years and this is in my top 3 punts ever!!!
