### The Premises:

Gfe is clean, safe and the rooms are done up to a decent standard.

### The Lady:

Very attractive blonde. Mid 20's. Very fit firm body, nice tits although she said she was going for an imminent upgrade which is really not necessary. All good.

### The Story:

From such an attractive girl I was really expecting more. 5 minute massage followed by "do you want to lick me?", 5 mins of that and I was expecting a decent bit of gfe but got literally 20 seconds of OWO before on with the rubber. 5 more seconds of oral and she jumped on for a ride, this was great while it lasted.....all 2 mins of it before she asked to change positions. She didn't want me on top, as i requested, but wanted it doggy. 2 mins of that and I slowed the pace a bit which prompted her to ask me to come! Finished off quick and jumped in the shower, had the briefest of chats she gathered her clothes and left. Leaving me to find my own way out. Nothing that I would call GFE.....she clearly wants the cash but puts in no effort. Pity coz she is very fit.
