The Lady:

The LM chicks just get better and better. They've dialled down the number of latinos and there are more Eastern Euro girls - but they're friendly!

The Story:

I walked in (alone) to the back room to be faced with four slender up-for-it girls who were all six foot in their heels. Almost wet my self there and then.

There followed the most awesome suck-fest. Couldn't stop smiling for the next two hours. They still kept goig even when the light went on after time was up. Great girls, great attitude - well done Em.
