The Story:

First time to meet Holly, have been trying for some time and can now see why she is so popular. From the moment I entered the flat Holly was very attentive and sexy. This was a real girlfriend/mistress experience. We kissed and slowly undressed each other leading to fantastic oral then on with condom for amazing exciting sex with Holly on top to a wonderful first pop. Good chat then Holly asked if I wanted a massage and I accepted, thank goodness as this was fantastic and such a turn on. More oral then deeply satisfying sex with me on top to the best orgasm I have had for a very long time. Holly is such a find and I will be seeing her very very often. Highly recommended.
