The Story:

Super friendly lady. I've met Michelle before but before I knew of Punternet, last time in Washington but she's now permanently based in the Derwentside area

This was her only day this week as she's just returned from a 3 month break so this was one I had to book in advance.

Michelle is all smiles from the moment you walk in, taking great pride in remembering when you last met and remembering your little kinks. Stockings as requested, brief chat over coffee catching up about her time off then upstairs for the fun.

Michelle is great at owo, cim seems to be standard but she does politely ask you to warn her, nice friendly sensual appointment.

Michelle falls into the fun category, likeable with an infectious personality.

Highly recommended
