The Story:

I saw Megan for an hour and have to say that the photo's simply don't do her justice at all. Megan has a killer body; great legs, fantastic tight arse, really slim toned waist, flat-as-a-pancake stomach and the largest, firmest breasts you could wish for. Her attitude was great too, very friendly, willing and relaxed and we certainly explored a couple of firsts for me! She was excited to show me her costumes but we only had time to see the policewoman and air stewardess, which were great. Funnily enough, we had other things on our minds but will get to see the schoolgirl next time. Megan has some great toys and we made creative use of the double ender and strapon. Those brought water to my eyes but Megan knew just what she was doing and teased and fucked me gradually to an explosion in her mouth. She greedily took it all but not being selfish with it, she grabbed me by the neck and kissed me full on and let me share the spoils. I managed a second round after a brief recovery and Megan insisted on me cumming over her stomach while she lay on the bed massaging her huge breasts and fingering her gorgeously shaven pussy. Mmmm, I left a drained and happy man and will surely be back for more. Thanks Megan.
