The Story:

Was in London and had some time during the afternoon. I had seen Adela's reviews so I gave the agency a call and booked an appointment.

Once we got the money out of the way we had a drink and a chat. She has an interesting life and her knowledge of London is extensive.

Anyway, we soon got into the action. Lots of kissing and we both stripped. I was ready for action and she was on her knees giving me a wet blow job with plenty of tongue and lovely licking of my balls. She moved me back on the bed and started licking lower giving me a nice rimming, just deep enough to get my cock rock hard. She then went back to my cock. I asked her to let my respond and she got on the bed. I went down on her and licked her lovely pussy.

After getting her ready, she put a condom on my hard cock and I entered her missionary. I banged away and she was pretty vocal. She really got into it. When I was closed, I pulled out and she sucked the cum right out of my balls, swallowing it all down.

It was a great hour and I look forward to seeing her the next time I am in London.
