The Premises:

Entrance is round the back of a small parade of shops on Derby Road, so not too obvious. Rooms are relatively small, but there are separate shower & locker facilities.

The Lady:

Short dark hair, large breasts & a fair number of sexy tattoos, with a very friendly & engaging personality.

The Story:

Started off with a brief ball-tickling massage before I turned over & she removed what little there was of her clothing. Moved on to a slow covered BJ followed by a fantastic 69 then into the reverse cowgirl position, before finishing by hand.

A very good punt with a girl who seems to enjoy what she does.
