The Premises:

The Lady:

Wow. V sweet bubbly polish blonde babe, curvy, fit body. great firm tits, firm bum.

The Story:

Smelt wonderful, tasted wonderful. A genuine GFE not the kind that says no. I sucked on her nipples, licked and sucked on her clit-she seemed to enjoy it, I rimmed her and tongue fucked her bum hole WOW.

Then it was my turn. I stood up and she was on her knees-a very wet owo handjob/blowjob combo just like I asked. Then on with the condom and her on top minute into and I came.

We talked for minutes and she was very good held a conversation with light flirting and banter.

Second go, condom on and doggy - what a view-I spanked her and spread her cheeks-watched my cock slide in and out of her pussy. Then onto missionary lots of kissing and moaning from her. And she finished me off with a wet owo/hand job combo.
