The Premises:

Clean and discreet, opposite the railway station and tescos car park in Northwich, down the side alley between shops. Clean with two massage rooms.

The Lady:

mid 40s, billed as late 30s, very pleasant way about her, but bit flabby, not in good physical condition, all was a bit wobbly.

The Story:

very sexual woman in every way, enjoyed sex, openly admits to liking and doing anything at all, she volunteers that she can't get enough cock and has tried everything.

This lady is exceptionally willing to do anything you ask for, she is sexy and dirty, but the physical appearance was so not up to scratch compared to other parlours that it wouldn't be worth a repeat visit. Although so much better than the other lady on offer, a Portuguese speaking lady who looked well late 40s.
