### The Story:

Diana is a specimen. She doesn't care about the clock, the money, or the time. She cares about you. She wants you to feel loved and appreciated and will do anything she can to make that happen. I called her agency in the early morning and she was at my hotel room within 30 minutes, clean, and ready to go. She doesn't do everything in the dirtiest terms, but she will do whatever it takes to make sure you get your money's worth and then some. We started off with a brilliant oral session (without condom) and ended up shagging doggy style for my first finish. She's also an very smart girl, insisting on a condom for the 2nd go around when she put her precious lips on my dick. Since I'm a loser and can't get it up 20 minutes after my first explosion, she was insistent on making sure I came a 2nd time even though we were WAY past our time. She also didn't ask for a single pence in addition. After failing to get hard with the condom on, she allowed me to take a quick shower and as soon as I exited the bathroom was on her knees sucking my cock like I've never had it. I can't really put words into a recommendation, but she knows exactly how to please a man.

I know this is longwinded and most people probably haven't read this far, but I must add an additional word about <http://divinelondonescorts.com>. I called at 7 AM and the phone was answered. The request was made and the call was returned within 5 minutes. Diana was at my hotel room within 30 minutes. You can't ask for better service.

If you're visiting Central London and want to spend precious hours with a top-notch escort, Divine and Diana are my first pick.
