The Premises:

This upstairs flat is just off Union Street, the Borough High Street end. It is very dilapidated, but clean.

The Lady:

Aysha was described as Indian, but she is in fact a Brazilian girl with brown skin, a very curvy bum and big, 36DD breasts.

The Story:

It was an ok session. It began with covered oral followed by sex with her on top. I could feel myself coming so I asked her to lay next to me while I had a good suck and feel of her big boobs. I then asked her to masturbate for me while I watched. I had a birds eye view of her red nails and fingers playing with her clit. I then took her in the missionary position and finished by taking off the condom and coming over her boobs.
