The Story:

Tilly is just mesmerizing and words cannot describe how gorgeous she is. She was very welcoming and just smiling all the time and glowing with positivity. We did very little talking and just went straight to the fun part. She's a very good kisser (DFK at its best). Her oral skills are absolutely amazing with lots of eye contact. We had sex in different positions (I'm gonna skip the details but let me tell you that she's very energetic and will give you one of the best sex in your life, at least that was in my case). There was no clock watching, she was very eager to please and it shows that she genuinely loves doing it. I originally booked her for 2h but it was so good that I extended to 3h. I think it indicates that I couldn't get enough of her. On the whole, very successful punt and will definitely come back.

PS: The booking was done swiftly and efficiently. The receptionist was very friendly and helpful.
