The Premises:

Terraced house at the end of a street no far from town centre no parking on the street but parking nearby. Lives with her mum and a couple of big dogs, felt safe enough once inside

The Lady:

late forties size 14 with very large breasts blond and quite attractive, lovely personality my second visit.

The Story:

had my second great domination and humiliation session, done in front of her mum she really listens to what you want and plays role play very well. finished off with hand relief and a bit of verbal . Overall a great time with a lovely lady
