The Premises:

Bit cramped, but clean and intimate. Bit of a climb to the top floor.

The Lady:

Tiny girl, slim, busty. Lovely smile and eyes. Depending on what picture you look at, they do her justice.

The Story:

Knocked on door and was led in by the hand and greeted with a hug and kiss. Got the brown envelope out of the way, and proceeded for an enjoyable hour in her company. All requested services were met happily and more besides. Without giving too much away, its been some time since a girl got me hard again within an hour. I said it wasn't possible, but she would have none of it. Alas I feel I let her down somewhat with my performance. Only one thing to do. Go back. Thank you Rene.
