The Premises:

I doubt I'm going to say anything that hasn't been said before, but IM is a really superb venue - clean, friendly and comfortable. The maid was lovely (a cute chubby American girl who I would have gladly spent time with!). She welcomed me with a smile and introduced all the girls to me, letting me know that only Susie was available right away (I hadn't booked). All the girls were very beautiful, so any one of them would have been a fabulous choice.

The Lady:

Susie is beautiful, tall, dark haired, and wonderfully tanned. She's clearly very healthy and her body is lovely - slim and curvy, with suprizingly large breasts and a completely shaved pussy.

The Story:

We started with a massage. I lay on my front and Susie rubbed me all over. Before very long I reached behind and started rubbing her thigh and buttocks before rolling over with her next to me. We then kissed and cuddled while I stroked her thighs and slipped my hands inside her tiny knickers to stroke her pussy - which was wet and was getting wetter. By this time I needed to fuck, so I lay on my back and Susie removed her knickers, crouched over me and lowered herself onto my cock. I'd love to say that I lasted ages and banged her in dozens of positions, but honestly, the girl is so sexy and so good at what she does that I'd blown my load within two minutes. We then kissed, cuddled and chatted for the remainder of my time. Fabulous. A wonderful experience.
