The Premises:

My hotel - perfectly average budget place.

The Lady:

Tall, late 30s, plain face with a bulbous nose, overweight - really doesn't get out to the gym much.

The Story:

Beware! The website photos are the unfortunately too common glamour shots of professional models, not the lady in question on this occasion.

Have to say the agency was prompt and communicated well to set up the booking.

The lady herself had a long list of "I cannot", refused most of what was advertised on her page and had the off-putting manner of a school dinner lady.

It felt like she was the one who had paid for the evening.

I asked her to leave within 30 minutes and consider the remaining 90 minutes of peace to be well earned.

Avoid. Avoid. Avoid.
