The Premises:

he place was clean and very inviting. warm and cosy. the area was quiet and it seems a safe place to meet.

The Lady:

mistress penny is as they say a woman of normal proportions. she is always well dresses and polite, she can accomodate most needs.

The Story:

I have visited mistress penny many times and she has been gentle and over the time she has brought out some things in me that I was not aware. We have explored many aspects of fun with both of us having a good time (I Hope). Mistress starts the session with instructions as to what she wants and then she turns her attentions to my needs. This is a relaxing time for both I hope and is never rushed.
