The Story:

As soon as i saw her i knew i was going to have a good time. Once in her room, she grabbed me and started kissing - DFK, we literally ripped each others clothes off! It was perfect GFE, she held her boobs and urged me to suck them - i did while i had my hand in her knickers. On the bed she started with OWO, it was so good, she was deepthroating my cock with plenty of spit and also lots of balls sucking, it was like she was to prove that nobody could give me a better bj. I couldn't contain myself and shot my load. Had a nice cuddle and chat followed by a great massage. Highly recommended. I'll be looking out for her next visit to Slough.
