### The Premises:

Her private place. Area is nice, residential. Parking in front of house available, but I didnt know that until I was there. We went to her bedroom, tht was nice and full of dildos ... Including a scary strap on penis.

### The Lady:

Zeena is super fit and aware of her body. It was my impression that sex ... That is what she does and loves.

### The Story:

We did some mutual massage, that was fine. Her english is not that good. She talks all the tine about the strap on. I think that s her obsession. Luckily she didnt push it ... so I got away without being "penetrated" !

We went to oral and reverse oral. She loves being licked and enjoyed it. But she really likes it extremely slow, which was unusual. We didnt have penetration ... We could have, but she preferred an oral finish, and I popped. Now, I would have preferred sex, but all that talk about anal and strap on kind of turned me off. I will not repeat. But, she may be worthwhile visiting by other punters. In particular if you are into strap ons. I believe that can become super intense.
