Very attractive, tall, lovely curves. Dark hair with hints of red. Early 40s.

The Story:

I had been wanting to meet Chloe for a while and I have to say our time together exceeded all my expectations. She does everything she can to please and delight, while clearly enjoying herself to the full at the same time.

After a little while driving, there seemed no better place to begin than Chloe's bath: a soapy, slippery, erotic beginning punctuated with prolonged kissing, stroking and laughter.

In the bedroom our time together was unrushed and sensual. Chloe's oral skills are fabulous but there was no sense of routine or 'menu' about anything we did as we moved easily from oral both ways to sex in a variety of positions. She came a couple of times (all to do with the right angles she said, which was probably more to do with luck than judgement on my part) before my own, hugely satisfying climax.

There was no rush at the end either as we lay together chatting, kissing and cuddling before some final slippery soapiness, this time in the shower.
