The Premises:

I choose the VIP apartment option as it is better than the single bed/table venue at the 'shop'. A bit tricky to find as not able to park on the road. The receptionist and i was able to find ok.

The Lady:

Very tall at 5ft11 and even more sore with heels, size 12-14, 34D though she carries it off very well. indeed she is striking, Amazonian like, with blond highlights. I thought she was pretty and she spoke nicely with soft tones with sexy sentences at times too.

The Story:

30 minutes for ?70 and oral without for an extra ?20. I said ok, though, the main highlight was that Veronica was willing to kiss and I enjoyed that. It is not always usual for Club Classique. Massage with oil was good to break ice and the BJ followed which i thought was fair. I loved her breasts, though she was a bit sensitive with the nipples and so i was. The sex was good and i needed to be a big boy today to handle this lovely, lush woman. We tried a few positions and I nearly got her to come with deep penetration with her on her front. She asked me to finger finger her off and i did so willingly. Overall, this was a very good punt. Thanks Vernica, one day, a bit longer?
