The Premises:

in an apartment in the city centre, clean, safe area and reasonably anonymous.

The Lady:

She was excellent, beautiful body, a young (26 by her account) Japanese woman, clearly not the woman from the picture but I didn't expect it to be, from what she told me they rotate on a 3-4 month basis.

The Story:

She made me relaxed, feel welcome and generally seemed to enjoy everything as much as I did (or at least she was good at acting). We had normal sex and talked a bit afterwards
