The Premises:

We met in my hotel.

The Lady:

Slim, soft and caramel coloured lady of middle east origin. Petite, immaculately groomed and in a long, black, sleeveless robe.

The Story:

Sweet and polite, but basically non-responding. She arrived 45 minutes late. I had booked for two hours. Half-way into the meeting she had to text and call back and forth to the taxi driver, who was going to be there in 15 minutes so that she could be on time to her next booking. This quite effectively ruined the little there was of an atmosphere. Things got worse because this also made it clear that the agency had only arranged for a one hour booking. The rest of the hour was spent in phone calls to and from and the agency was not willing to reduce the price. I paid the full amount, and bid the girl politely goodbye. She couldn't bother less.
