The Premises:

Untidy but serviceable flat near the park in Gloucester. Didn't like leaving the car there but decided to take a chance.

The Lady:

It was a typical Eastern European "bate and switch" the girl I saw was NOT the girl from the pictures. I should have walked away then!

Plump in places, nice breasts but absolutely NO arse!

The Story:

It was bloody awful. the advert was for a pretty EE girl, not the one who came in to the room, she was bored (obviously so), not particularly attractive and the service was rubbish.

OWO was mentioned in the ad, but she refused, in fact she refused pretty much everything. Condom on and she jumped on me, she was so dry it almost hurt!

In the end i got so fed up i just said "forget it" and left angry & frustrated.

I think I'll give up on the EE girls as my last few punts have been as bad with them but the Thai/Chinese girls have been great.
