The Premises:

The apartment was nice, and pretty much as it looked on the images on the website. Was dirt free and maintained to a good standard. I know the area well and it is pretty quite so no issues there.

The Lady:

Lola was quite small, around 5ft with fiery dark red hair. She has a fantastic toned body with great breasts and hair down to her shoulders. I have had past meetings where they don't resemble much of the person in the photo, Lola looked very much the person in the photography.

The Story:

This was only my second visit to this sort of thing, but it was fantastic. Lola made me feel very welcome and at ease with some general chit chat. Felt more like talking to a friend. Then we moved on to the main event, she was fantastic. I was a little nervous asking for various positions etc but she was more than accommodating. Sure to be back at some point.
