The Story:

This was a great punt. Milla is lovely, very chatty and bubbly and put me at ease straight away. After sorting out the paperwork she offered me a drink but the naughty glint in her eye confirmed that I would be in for a good time. We adjourned to her bedroom where she basically jumped on me - kissing passionately and before I knew it I was naked on her bed with her giving me an amazing blowjob - all the time looking up at me in a very suggestive and naughty way ! She then spun round and sat on me and let me lick her delightful pussy before she demanded that I fuck her now. The time flew by and I lost count of the number of times she orgasmed (or she is a great actress) and she managed to make me cum three times ! The best memory is taking her doggy style looking at our reflection in her mirrors. I left drained but happy.
