The Premises:

Brooklynn's is still uber busy at the 6pm to 8pm slot and you could end up waiting for people. Today was one of those days but it was such a warm and comfortable place, waiting isn't too big an issue. Especially when the secretary offers you a drink and its prompt. Good service there!

The Lady:

Savannah is blonde, early 20's, cute smile and slim. The sort of young student look and very professional.

The Story:

I know the reviews have noted Savannah as excellent but she does charge extra for extras (?10 for kissing, OWO and you add an extra ?10 for completion). She doesn't do anal and no fingers inside her BUT I found it very pleasant with her and had that sort of coy and quiet charm about her. Responsive during the act and very nice oral skills. Will I visit her again? Not 100% sure - Definitely a recommendation to others but there are other girls at Brooklynn's that are suited for me.
