The Premises:

The location is a council flat in a block about a 10 minute walk from Pimlico tube station. It is very clean inside and there are shower facilities.

The Lady:

Lily is a mature, Chinese lady with lovely 34DD breasts. She is very friendly and a good masseuse. When she opened the door my eyes were immediately drawn to her very ample and firm breasts.

The Story:

The session consisted of an excellent, firm massage on a massage table. I was getting very sleepy because it was so relaxing. The best bit was when Lily put hot towels on my back and legs and knelt on the table to really press hard. The culmination of the massage was Lily tickling my back, legs and balls with her nails. There was also a bit of anal play which doesn't do much for me. Eventually the turn over moment came and I was confronted by those magnificent boobs. They were so lovely and firm and I enjoyed sucking, squeezing and licking them. Lily then gave me covered oral before taking off the condom and tit wanking me. She finished me by hand and rubbed my come over her boobs, Sensational!

I accepted the offer of a shower, got dressed and made my way back to the tube.
