The Premises:

Usual Annabellas place near the shopping centre, clean and tidy with a good shower.

The Lady:

Lucy does look like the lady in her pictures, but only when fully clothed! I have to report that several of the pictures are very heavily photoshopped!

The Story:

After being shown to the room, I opted for a quick shower and Lucy was in the room on my return. Not a particularly friendly greeting from her, but thought that she might warm up.

When I made the booking a couple of hours earlier I had specifically asked for Watersports, Lucy informed me that she had only been told this 15 mins before our appt. This resulted in a limited WS session, but she did try her best.

Retired to the bedroom after and Lucy proceeded to give an excellent BJ which produced the desired result.

After a massage which was more of a back rub, I declined the option of a 2nd attempt. There was little attempt to strike up a conversation and I felt that Lucy was distant and simply going through the motions. I do realise that you cannot hit it off with every escort, but this was really disappointing.

A disappointing punt on many levels especially her pictures and lack of conversation.
