The Premises:

Her place is in a ground floor flat on a residential street, a few minutes from Paddington tube station. Spotlessly clean and comfortable, nice lighting, relaxing and ambient. Very easy to find and to get to, close to several tube and bus routes. Perfectly safe and discreet. Ideal area, great central location

The Lady:

Holly is a pretty Thai girl. She's tallish for a Thai lady, I'd say about 5' 6in and slim and all natural. She's really lovely, kind-hearted and sweet natured and polite. Really soft and tender. She's got short brown hair, and she's the only Thai girl I've seen who's got it cut short. She has reasonably good English. She looks exactly like her photos.

The Story:

Holly is a sweetheart. She's a very girly girl. Very GFE. She's one of the sweetest, most kind-hearted people I've ever met. Very gentle and angelic. She's almost too angelic. We had a quite lovely shared bath to start, lots of sensual body contact and smooth sliding and gliding, lots of sweet kissing. Nicely erotic soapy body-to-body massage.

Back in the bedroom it was more of the same. She gave me some of the sweetest, loveliest owo I've ever received. More very sweet kissing and cuddling, sex in several different positions. She wanted to take the lead, and she was so appealing and affectionate and amiable I couldn't say no! We finished in mish. She's also got an enchanting and engaging personality and a great sense of humour, and is very pleasant to chat with.

Holly is a real darling, an absolute dream girl, the kind of girl you want to bring home to meet your family. GFE of the highest order.
