The Premises:

Anonymous house in middle of very ordinary road. The neighbours must know what goes on but I didn't see any twitching curtains.

OK inside - seemed clean enough and it was warm which was a bonus!

The Lady:

You might find a representation of Anita on AW - the other site. The pictures on there are of someone a few years younger and the services offered bear no resemblance to what you'll get. As long as you're happy with that you won't be disappointed!

The Anita that greeted me was still attractive and had a pleasant personality.

The Story:

We got the paperwork out of the way and rather than disappearing, she immediately disrobed and was naked on the bed before I'd got my socks off. I won't bore you with a full description but Oral was covered, kissing was discouraged, fingers weren't allowed, after a few minutes my "big cock was hurting her", COB was extra... you get the idea. OK, for ?40 I wasn't under any illusions and Anita was sexy and chatty. She was determined to make me come as quickly as possible though, hence the 20 minutes!

For the price, I can't complain but I do wish that the ads on AW were more than pure fiction sometimes.
